

## PRESS RELEASE

### January 13, 2017

The Beachside Neighborhood Watch (BNW) and South Atlantic Neighborhood Association (SANA) have made great strides uniting the residents in the beachside communities. In 2016 these groups collaborated on several projects and regularly attend each others' meetings.

After much discussion and debate, the boards of SANA and the BNW have decided to make some changes to their meetings. This is as a result of several factors, primarily so the active volunteers of each group can support each other and allow both groups to achieve more in the coming years. In short: streamlining for improvement and sustainability.

#### **For SANA members:**

The SANA board will host meetings on the FIRST Thursday of ODD-numbered months. Meetings will still take place at the Peninsula Club but will start at 6:30pm with drinks and light finger foods only, no dinner service.

#### **For BNW members:**

The BNW board will host meetings on the FIRST Thursday of EVEN-numbered months. Meeting place has been changed to the Peninsula Club at the corner of Goodall and Peninsula, and will start at 6:30pm with coffee, drinks and light finger foods only, no dinner service.

#### **IMPORTANT SUMMARY:**

- BNW and SANA meetings will now both take place at the Peninsula Club at 6:30pm on the FIRST Thursday.
- SANA will host odd-numbered Months (Jan/Mar/May/Jul/Sep/Nov)
- BNW will host even-numbered months (Feb/Apr/Jun/Aug/Oct/Dec)
